Play **St Andrews Jubilee**.

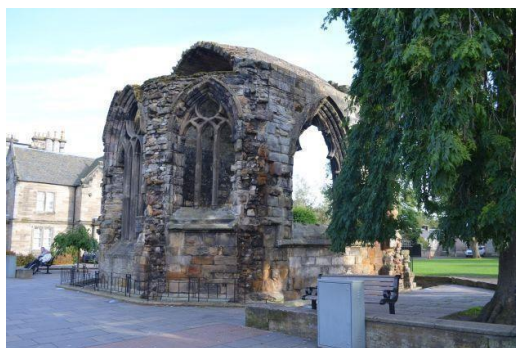

Opened in 1897, this course was named to commemorate the Silver Jubilee of Queen Victoria. The third championship course at the Home of Golf, the Jubilee is considered by many to be the most challenging course on the famous Links. Sightseeing Suggestion: St Andrews Town Tour

Blackfriars Chapel.

The site of a ruined 16th century building in the middle of St Andrews. St Andrews Castle has been by turns a fortress, palace and prison. It is largely ruined, battered from 400 years of wars and sieges, but remains a fascinating visit on any trip to St Andrews. The Castle's infamous "bottle dungeon" and the underground mine and countermine are well-preserved evidence of the castle's medieval past. St Andrews Cathedral was once the largest cathedral in Scotland. The University of Andrews is Scotland's first university and the third oldest in the English-speaking world, founded in 1413.

Play **Elie G.C.**

Elie G.C. The coastal setting has made the course enormously popular. There are plenty of holes to challenge the mettle, including the par-four 12th which forms a dog-leg round the bay. 18 holes, 6273 yards.

Sightseeing Suggestion: Anstruther

Located south of St Andrews, Anstruther is the largest in a string of pretty, old-fashioned fishing villages along the stretch of Fife coast known as the East Neuk. Perhaps the top attraction is simply tucking into a quality fish supper from the Anstruther Fish Bar, which in recent years has won a number of awards including UK Fish and Chip Shop of the year. Enjoy the locally caught fish by the harbour as fishing boats land their catch.
